

1000 Saints

Senior Animals in need Today Society

S.A.I.N.T.S

Saints is an end of life sanctuary for senior and special needs animals with nowhere else to go. We provide a special place to be loved and cherished and provide proper medical care for the rest of their days. All animals deserve to have hope for a better tomorrow.

We are asking you to become a 'Saint' by committing to donate \$25 a month to help us with the staggering cost of running this very special sanctuary. The fact is it will take 50 'Saints' donating for a year to cover one month of expenses at the sanctuary. That means it will take 600 monthly donors to cover the basic expenses over a year. When we reach 1000 that means the Board of Directors can feel financially secure to make necessary repairs to the present buildings, make plans for new purpose built buildings and comfortably be prepared for the many unforeseen emergencies which come up regularly when sheltering elderly and disabled animals.

In order for this to work we need a couple of commitments from each of you. First, please sign up for the monthly donation and second spread the word through your circle of friends, relatives and colleagues.

Together we can make this happen. Thank you
